

# ELC330TH

## USB Datalogger

ELC330TH

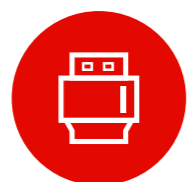

ELC330TH

°C/°F selection

1m drop proof

USB interface

LED alarm

Low battery indication

Auto power off

ELC330TH series dataloggers use high-precision temperature and humidity sensors for long period monitoring and recording. They are widely used in food processing, cold chain and other fields.

| Specifications              | Range                         | ELC330TH         |
|-----------------------------|-------------------------------|------------------|
| Temperature                 | -30.0°C~70°C                  | √                |
| Accuracy                    | -20°C~40°C<br><-20°C or >40°C | ±0.4°C<br>±0.4°C |
| Resolution                  | -0.1°C/0.1°F                  | √                |
| Temperature offset settings |                               | √                |
| Humidity                    | 0%RH~100%RH                   | ±2.5%RH          |
| Resolution                  | 0.1%RH                        | √                |
| Humidity offset settings    |                               | √                |
| MAX/MIN/MKT                 |                               | √                |
| PC software                 |                               | √                |
| Data storage                |                               | 64000            |
| PC software                 |                               | √                |
| Mobile APP                  |                               |                  |
| IP rating                   |                               |                  |

| Characteristics             |  |
|-----------------------------|--|
| Power                       | CR2032   |
| Display                     | 23 x 20mm  |
| Product net weight          | ELC330TH: 57.4g                                      |
| Product size                | ELC330TH: 38 x 105 x 14mm                            |
| Standard accessories        | Batteries, bracket, screws, stickers, English manual |
| Standard individual packing | Gift box   |
